

Sales/Business Development Associate Intern

Position Description:

IND HEMP is looking for a dynamic, motivated intern who is eager to learn about industrial hemp while gaining experience and supporting the IND HEMP sales and marketing team. IND HEMP contracts with growers across Montana and the pacific northwest for hemp grain and fiber varieties. The grain and fiber will be processed at our operations in Fort Benton, MT. The Sales/Business Development Associate intern will be tasked with understanding the products and brands that IND HEMP offers. Research and make calls to identify contacts as potential customers that will help develop our supply chain in the Farm and Ranch market and Consumer Pet market. The internship will provide valuable hands-on experience and insight into the sales, marketing, and business development aspects of the business.

Title: Sales / Business Development Associate

Type: Full time, Summer Intern

Location: Onsite in Bozeman, MT

Qualifications:

- Current college student in good standing. Preferred marketing, business, or communications major but all will be evaluated.
- Good software skills: MS Excel and database experience required
- Good verbal and people skills; confident, charismatic, tenacious extrovert

Reporting to: Director of Sales with support from Chief Strategy Officer

Scope of Work:

This is an short term intern role will primarily focus on a succinct project. IND HEMP has developed two retails brands with a suite of products: one for the Farm and Ranch market and one for the Consumer Pet market.
